Black Ink Fountain

Robertson-King web press

produces and folds the insides of
up to 72,000 *Help From Above*
(48 pages each) per hour.

A roll of paper can produce 80,000

Scripture booklets at a cost of \$1,080. Every donated dollar on average can reach 25 people. We are producing approximately **7,500,000** Scripture booklets each month having sent literature by request into 210 countries and islands of the world.

A roll of paper to keep the press rolling.

Each 1,500-lb. 35-inch wide roll is twelve miles long and provides paper for the inside pages of 85,000 48-page Scripture booklets. What awesome potential! **Each wide roll of paper costs \$1,073.** A half-roll costs **\$536.50** and provides the inside pages for 42,500 Scripture booklets.

Hashimoto 2-color perfecter

prints booklet covers in both two and four colors at high speeds.

Man-Roland six-color offset press

Can print 2 over 4 colors in a fraction of the time it took in the past.

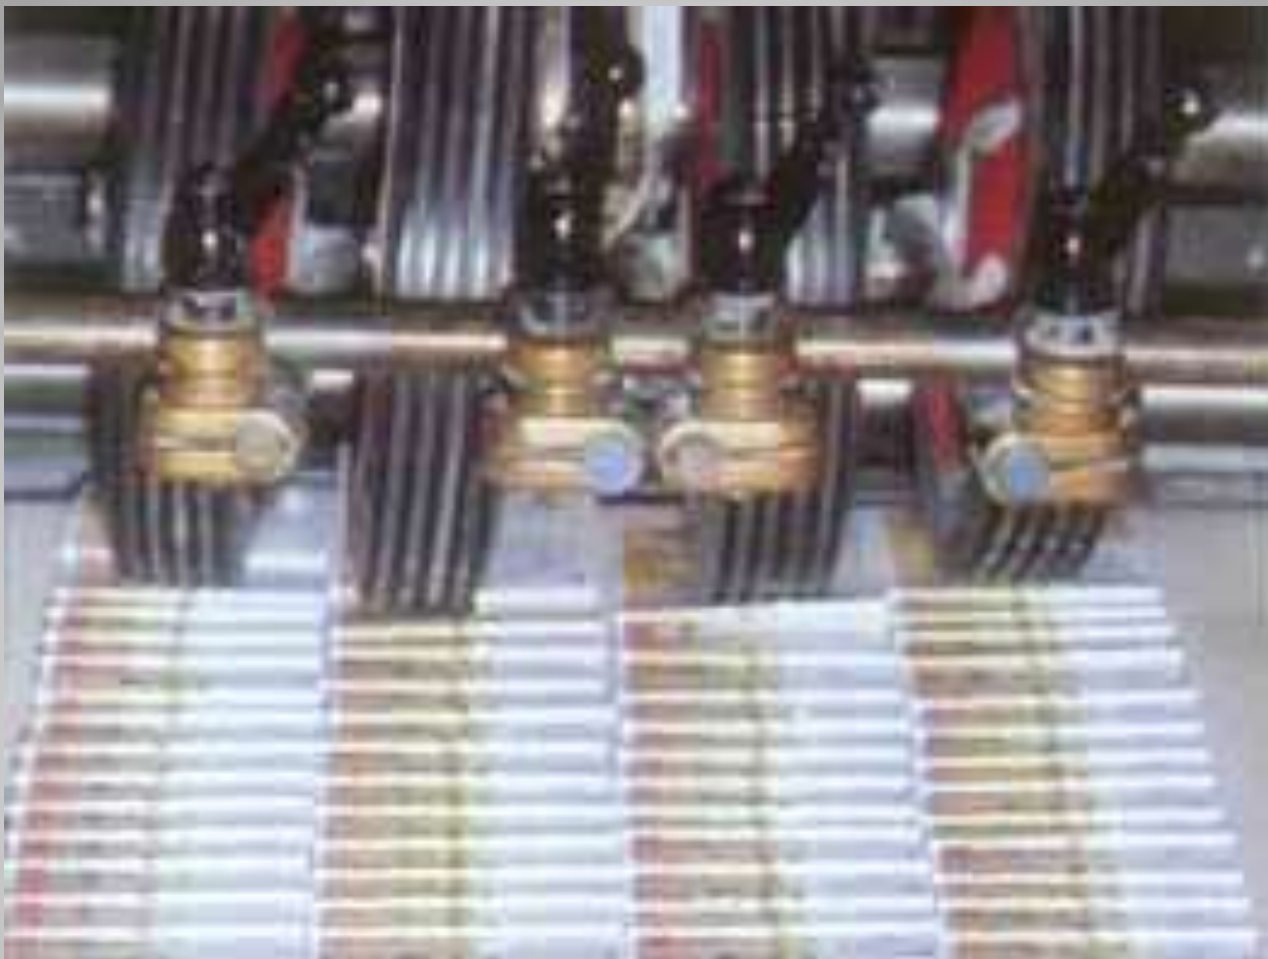

What once took 14 hours to produce on the Hashimoto can be produced in 2.5 hours .

Red, yellow, and blue ink for 4-color covers.

A 5-quart pack costs \$23.14. One dollar provides color for 6,100 4-color covers! Ten pounds of black ink for the web press costs \$17.41 and prints the inside pages of about 50,000 48-page booklets. A drum of ink (400 pounds) costs \$696.40 and prints 2,000,000 booklets.

The slitter trims 500 booklets per minute.

A newly reconditioned cover cutter helps maintain a production pace of 7.5 million Scripture booklets per month.

Each high-speed bindery

collates, staples, and trims
30,000 booklets per hour.

World Missionary Press

- Much of the work at the bindery is done by volunteers. Each month about 270 volunteers from 67 churches help in the ministry.
- An average of 1.5 tons of literature leave World Missionary Press each working day.
